## Pulaski County Sewer District # 1

### APPLICATION FOR SEWER EXTENSION CONSTRUCTION PERMIT

Construction Permit Fees — Before PCSD will proceed with the plan review, all fees shall be paid to the PCSD. Construction permit fees are as follows:

- \$150.00 for a sewer extension under 1000 feet in length.
- \$350.00 for a sewer extension over 1000 feet in length or the construction of a lift station.
- \$750.00 for a sewage treatment plant having a design flow of 500,000 gpd.
- \$1,750.00 for a sewage treatment plant having a design flow of over 500,000 gpd.

An additional 50 percent fee will be required if changes necessitate a new review of the plans and specifications. No additional fees are required if changes are minor in the resubmitted plans and specifications.

**With the execution and submission of this Application, the Applicant acknowledges receipt of a complete copy of the Design and Construction Manual for PCSD#I and further agrees to comply fully with any and all applicable provisions of the Design and Construction Manual.**
