

PCSD#1

Pulaski County Sewer District # 1

APPLICATION FOR SEWER EXTENSION CONSTRUCTION PERMIT

Construction Permit Fees – Before the PCSD will proceed with the plan review, the applicable construction permit fee shall be paid to the PCSD. Construction permit fees are as follows:

- \$100 for a sewer extension under 1000 feet in length.
- \$300 for a sewer extension over 1000 feet in length or the construction of a lift station.
- \$500 for a sewage treatment plant having a design flow of 500,000 gpd.
- \$1500 for a sewage treatment plant having a design flow of over 500,000 gpd.

An additional 50 percent fee will be required if major changes necessitate a new review of the plans and specifications. No additional fees are required if changes are minor in the resubmitted plans and specifications.

With the execution and submission of this Application, the Applicant acknowledges receipt of a complete copy of the Design and Construction Manual for PCSD#1 and further agrees to comply fully with any and all applicable provisions of the Design and Construction Manual.
